2007-2008 School Year

Parent's Summer Reading List

Here are some ideas for parents to read this summer. BCCA continues to provide reading for teachers that will enable them to grow in an understanding of classical education, of excellence in teaching, and of growth in a relationship to God. We are providing some suggestions for your summer reading to help you join us in growth.

- Teaching Redemptively by Donovan Graham
- Tending the Heart of Virtue: How Classic Stories Awaken a Child's Moral Imagination by Vigen Guroian
- The Pursuit of God by A. W. Tozer
