Creating a community in which God's grace transforms lives

August, 2009

Dear Back Creek Family

Wednesday night fellowship dinners will return this September with some important and exciting changes for the month of September 2009. If these improvements add to the betterment of our church, then we will continue with the weekly dinners.

These are the following changes starting September 9, 2009.

- Fellowship dinners will be weekly every Wednesday (Sept. trial period and based on positive feedback)
- New time for dinner will now be from 6:00 – 6:45pm
- There will be no charge for the dinners; however, donations will be greatly appreciated.
- Menu will be posted on the Back Creek Church website each week and in the church bulletin.
- We will be accepting feedback and suggestions through the website concerning the Wednesday night fellowship dinner sections.
- We will incorporate new, old, and favorite recipes of Back Creek Church members.
- Kitchen team will build a regular core team of helpers.
- Kitchen team will build a rotating team of volunteers

At the end of September we'll look at how the weekly dinners are working for fellowship and outreach and plan further from there. Hopefully, we will be able to continue doing these dinners weekly. If you would like to help us or if you have any questions, please contact Alex Kierstead or Kimberly Green

Sincerely,

Alex Kierstead alexandrak@earthlink.net
