For Girls and Boys, Ages K-8<sup>th</sup> Grade

# Upward Basketball and Cheerleading

**Upward's mission is to promote the discovery of Jesus through sports. As we teach girls and boys about the hope of the gospel, we also help develop their basketball and cheerleading skills and learn the importance of team work. Under the leadership of our Upward Director, Al Ratcliffe, Back Creek has been blessed to have basketball & cheerleading on our campus for over 20 years. Each year, we strive to grow our program and serve more families than the previous year. Our season begins with sign-ups in November of each year.**

***We are happy to announce that we have special scholarships reserved for girls who are interested in playing basketball in the 2020-21 season.***
